## EDUCATION

### B.Tech - Computer Science with Cyber security

Bikaner Technical University

11/2021 - Present

9.31

## WORK EXPERIENCE

### Web Development Intern

Quoppo

02/2024 - Present

Pune, Maharashtra

Achievements/Tasks

- Worked with technologies such as TypeScript, Next.js, and libraries like Framer Motion.
- Collaborated with cross-functional teams to design and implement responsive, visually appealing, and intuitive web applications.
- Ensured effective communication and collaboration to deliver projects on time and within scope.

### Freelance Web Developer

Swasthyam

12/2023 - 02/2024

Bikaner, Rajasthan

Achievements/Tasks

- Collaborated with Swasthyam to develop a responsive website for the organisation.
- Leveraged React with Tailwind CSS to create a modern and user-friendly interface.
- Provided ongoing support and maintenance to ensure the platform's stability and performance.

### Trainee

Neologicx Resources India Pvt. Ltd.

06/2023 - 07/2023

Bikaner, Rajasthan

Achievements/Tasks

- Technology Proficiency: Developed foundational skills in front-end and back-end technologies, including HTML, CSS, JavaScript, and various frameworks, while actively staying updated with emerging trends.
- Hands-On Learning: Practical experience in creating and maintaining web applications.
- Responsive Design and Best Practices: Gained insights into responsive design principles, version control systems, and user experience (UX) fundamentals, positioning me to create user-friendly and efficient web solutions.

## SKILLS

ReactJS

Javascript

HTML/CSS

Python

Tailwind CSS

Bootstrap

Wordpress

NextJS

Typescript

## PERSONAL PROJECTS

### Web Carbon (01/2024 - 04/2024)

- Key Technologies: React.js, Tailwind CSS, Flask, Python.
- The Website Carbon Calculator is a tool designed to analyze the environmental impact of websites by assessing their carbon emissions.
- This web application takes a website URL as input and provides detailed insights into the website's CSS data, JavaScript data, and media data.
- By offering actionable insights, this tool aims to raise awareness and encourage sustainable practices in web development.

### Animerch - E-commerce Website (11/2023 - 12/2023)

- Key Technologies: React (Frontend), Tailwind CSS (UI)
- Successfully integrated React to enhance website performance, responsiveness, and interactivity.
- Elevated the visual appeal of the platform through the strategic application of Tailwind CSS, resulting in a captivating user experience.
- Implemented a streamlined data storage system, optimizing operations related to cart management and order processing.

## ACHIEVEMENTS

BytePatriot Indie-Code Competition-Rank-1

SOF National Science Olympiad 2018-19- International Rank-469

## LANGUAGES

English
